

The background is a teal color with various tropical leaves and plants. At the top, there are large, dark green leaves with holes, a palm frond, and a fern. At the bottom, there are more leaves, including a large green one on the left, a dark blue one on the right, and a bright orange one in the bottom right corner. In the center, there are white line drawings of several leaves, including a large cluster of mint leaves and several smaller, individual leaves.
